Every Look look for their bright future, healthy work environment, good salary, job satisfaction, and I am pretty sure that your company give such thing so I don't need to change this company.

**15. Are not you overqualified for this position?**

Thank you for your perception about me but I think I am qualified for this post but not overqualified because I am just a beginner and have lots more to learn. I think qualification is not only a matter of theoretical knowledge or results; it also depends on practical knowledge and learning. When I will get practical knowledge then I would consider myself just a well-qualified not overqualified. Because learning never ends.

Or

Sir, if am overqualified for this position then I don't think there is any harm to the organization or to my colleague as extra knowledge can be utilized somewhere at some point of time.

**16. Describe your ideal company, location and job.**

Sir,

An ideal company is one where I can utilize my skills and abilities and can gain more knowledge.

An ideal job is one which gives self satisfaction to me.

Location does not matter. I can work at any place as I can adapt to any new environment.

Or

Sir, In my opinion any company can be a ideal company if it the company and its employees helps each other in mutual development.

And as far as location is concerned, when I am out for a job, location is not a constraint to me.

And talking about job, the ideal job for me will be that job with which I can be happy while I am working.

**17. What are your career options right now?**
